About CFC:

We are the largest independent Managing General Agent (MGA) in the UK. Our focus is speciality lines, niche markets and emerging risks, and we have the largest cyber insurance underwriting team in London. CFC is backed by more than 30 Lloyd's syndicates and delivers insurance to over 60,000 businesses in more than 60 countries. We're privately held and growing faster than any of our competitors and the market.

Although insurance is a serious business, our culture isn't too corporate and we never take ourselves too seriously. We are 'one-team' and enjoy a culture of openness and encouragement. We invest heavily in the learning and development of our people and enjoy a fast paced working atmosphere that is friendly, supportive, and fun.

Role Definition:

This is a role, which involves developing and underwriting profitable business within the Property & Casualty (P&C) team. The Underwriter will work closely with the Team Leader and underwriting colleagues in a variety of areas, including new business development, underwriting renewal accounts, building broker relationships and responding to P&C queries from other product line underwriters.

Key Responsibilities & Accountabilities:

- Profitable underwriting of both new and renewal business within the underwriting guidelines.
- Marketing P&C team capabilities through existing contacts and new relationships.
- Assisting in the development of new products.
- Production of reports and statistics.
- Provision of a first-class service to brokers, clients and colleagues.
- Respond to both internal and external enquiries.
- General ad-hoc duties.

Skills & Abilities

- Ability to problem solve and create solutions.
- A passion for P&C business.
- Effective team work.
- Attention to detail at all times.
- Confident, energetic communication.
- Work to tight deadlines whilst maintaining excellent service.

Knowledge & Experience

- Minimum 4 years' experience of underwriting or broking commercial property and casualty risks.
- Exposure to North American business desirable.
- Sound understanding of insurance markets and distribution channels.

Education & Professional Qualifications

- Minimum university degree
- Progression in professional examinations
